

VOYAGES

Ciao, Mediterranean

Virgin Voyages' second ship, Valiant Lady, has arrived with 7-night Mediterranean itineraries. Because we feel Sailors deserve to be as close to the heart of the port-city as possible, our home port in Barcelona is primely located. Traditionally only reserved for mega-yachts our location will give walking access to the dynamic and diverse neighborhoods of Poble Sec, Barri Gotic, Port Vell and famed urban beach, La Barceloneta.

Set sail on one of three irresistible itineraries. Experience a sampling of Spanish delights visiting Palma de Mallorca with an overnight in Malaga and a stop in Gibraltar. Visit the French Riviera town of Marseille with an overnight in Monte Carlo and a stop in Sardinia. Or sail to the French coastal town of Toulon before wandering through Tuscany and island hopping through islands like Corsica and Sardinia. All voyages have overnights in the musical island of Ibiza. Setting sail in May 2021, on sale now.

Set Sail The Virgin Way.
